

Reasonable Assurance of HIPAA Compliance Attestation-Kiwi-Tek

8/10/2019

This attestation is provided to verify H.I.Mentors, LLC has been engaged by KIWI-TEK to perform a Security and Privacy risk assessment of their company. H.I.Mentors, LLC has recently received all required assessment information as suggested by NIST, and is finished with this review.

KIWI-TEK attested, and provided documentation to show that they do comply with applicable rules and standards set out within the Privacy and Security rules and will work diligently to ensure confidentiality, protect the privacy, and provide for the security of PHI(Protected Health Information) disclosed to them as a Business Associate in compliance with the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA") and regulations promulgated there under by the U.S. Department of Health and Human Services (the "HIPAA Regulations") and other related applicable laws. The health Information Technology for Economic and Clinical Health ("HITECH") Act of the American Recovery and Reinvestment Act of 2009, Pub.L. 111-5, modified the HIPAA Privacy and Security Rules (hereinafter, all references to the "HIPAA Privacy and /or Security Rules" include all amendments thereto set forth in the HITECH Act, the Omnibus Privacy Final Rules published in 2013 and any accompanying regulations. *KIWI-TEK recently completed another risk assessment in the ongoing effort to maintain high standards and compliance with HIPAA and HITECH.*

KIWI-TEK has attested that they have put into operation a complete set of HIPAA based privacy and security policies, forms and a Privacy and Security Risk analysis. KIWI-TEK Business Associate Agreement (BAA) requires a complete HIPAA privacy and security program be in place and operated within the specifications of that BAA agreement on a continual basis. The HIPAA Privacy and Security risk assessment results will be made available to you upon request to KIWI-TEK.

Based on H.I Mentors consulting experience, in our opinion, Kiwi-Tek is demonstrating a Best Practice level that is superior in the health information coding industry from a HIPAA privacy and compliance perspective.
